

Monthly Spending Plan and Tracker

This Monthly Spending Plan and Tracker are designed to help you make an intentional and Spirit-led plan for your finances and to see whether or not you are on track or need to make adjustments.

Before the month begins, estimate your income and spending on the Spending Plan. Each day during the month, total up your income and spending in each category and note that on the appropriate day of the month.

For example, if on the first day of the month, you bought lunch for \$15, groceries for \$25, and paid your electric bill for \$100, on line 1, you would write \$40 under Food and \$100 under Housing. At the end of the month, you would total up each category and compare that to your plan. As you complete this each month, you will be able to make adjustments for next month's plan with a better understanding of your personal spending habits.

Always remember that your money is meant to serve God's purpose! Your plan should reflect His priorities and you should regularly spend time in prayer asking Him what He wants you to do with His money to grow His kingdom.

If you need more help or encouragement, or want to let us know about the success you have had, visit our website www.compass1.org or email us at info@compass1.org.

Monthly Spending Plan
